LONG OR STANDARD PUTTER COMPARE YOUR PACE

Same distance. Two putters. One useful comparison.

1 9 PUTTS WITH A LONG PUTTER

Feel a smooth pendulum rhythm.

2 9 PUTTS WITH A STANDARD PUTTER

Use the same start point and target.

3 COMPARE YOUR FINISHES

Note which putter gives you more consistent pace.

LONG PUTTER — 9 putts	
STANDARD PUTTER — 9 putts	

9 LONG + 9 STANDARD = 18 PUTTS

Your putting comparison

Long or Standard Putter: Compare Your Pace

Complete nine putts with a long putter and nine with a standard putter. Record completed attempts and compare the pace and finishing positions.

Date: _____ **Location:** _____ **Distance:** _____

1. **Try the long putter**

   Choose one comfortable putt. Use a free, unanchored pendulum stroke for nine attempts.

2. **Use the standard putter**

   Keep the same starting point and target. Play nine more putts with your normal grip.

3. **Compare both groups**

   Notice the pattern across each group of nine: short, close or beyond, and how repeatable the rhythm felt.

Tick one box for each completed putt.

Count attempts, rather than points. There is no extra point for holing a putt.

PUTT	1	2	3	4	5	6	7	8	9	TOTAL
Long putter										/ 9
Standard										/ 9

Same putt and target. Nine attempts with each putter.

COMPLETED: ___ / 18

What did you notice?

Long putter notes: _____

Standard putter notes: _____
