Date: _____ **Location:** _____ **Green / slope:** _____

1 **Mark three distances**

Measure 10, 20 and 30 feet from one hole. Use the same putter to judge the finishing zone.

2 **Play one from each spot**

Putt once from 10 feet, then 20 feet, then 30 feet. That completes one three-putt circuit.

3 **Complete six circuits**

Repeat the order six times. Record 0 or 1 for each finish, then add your score out of 18.

Write 0 or 1 for each distance in each circuit.

1 = within one putter length 0 = outside the zone. A holed putt earns one point.
